

Orchestra sizes can vary. Please coordinate music stand and chair count as well as the input list with the orchestra contractor and "Live and Let Die" technicians.

## STRINGS RISER

A larger string riser, or a two-tiered setup will be needed when more than 6 players are in the string section.

## WOODWINDS

Have a chair and a music stand with a light for each player in the strings, woodwinds, and brass sections.

BRASS MIX

BRASS

12'x4'x16"

CONDUCTOR MIX

CONDUCTOR PODIUM

4'x4'x8"

Good quality 88 weighted-key keyboard can be used instead of grand piano when space or availability is limited. Small/Baby grand pianos are preferred.
